## The Jerome Daisy Copper Company

Announces that the two-hundred thousand Shares of Pre-organization Stock, offered at fifteen cents, has been over-subscribed by more than one-hundred thousand shares.

Advance applications are being received for

## Treasury Stock At Fifty Cents a Share

### The Jerome Daisy Company

Owens thirteen full claims free of incumbrance, on the famous

### Verde North Fault

On which the phenomenal

### United Verde

### and United Verde Extension

Other bodies are located. It is only a mile from the United Verde and half a mile further from the Extension, and has surface indications identical with those two big properties.

Over half the pre-organization stock was sold right in Jerome to old timers and others who know the property.

## Jerome Daisy Copper Co.
